ROYAL

Royal Satellite 2001 Portable Electric Typewriter

The Royal Satellite 2001 is hardly the conventional portable. You'll find its impressive speed, smooth typing action and crisp impressions are as close as you can come to an office electric typewriter.

The finest portable that Royal has ever produced, the Satellite 2001 is one of the easiest typewriters to use. Its exceptionally broad range of automatic features include: five repeat keys, electric paper insertion and carriage return, repeat forward and back spacing.

The ruggedly built Satellite 2001 is the ideal selection for the professional office, the office at home, and student's use. And you know it's thoroughly dependable because it's from Royal—the people who have been producing quality typewriters for 75 years.

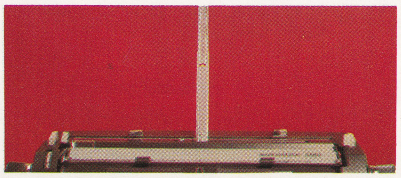
Royal Satellite 2001 So automatic, it takes the work out of typing.

Everything you could ask for in a totally electric portable.

The size and feel of an office typewriter keyboard
44 finger-contoured keys (88 characters) and a glare-free block keyboard.

12-inch carriage
The 11-inch writing line easily handles a standard letterhead sideways and a #10 size envelope.

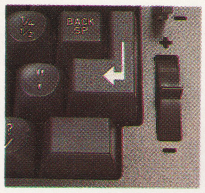
Rapid-set visible margin controls
A single fingertip motion sets each margin without moving the carriage.



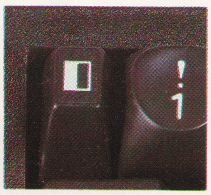
Retractable Paper Support and Page-End Indicator

Key-set tabulator with total tab clearance on carriage return
Tab stops for every carriage position make columns of figures as easy to type as text.

Five repeat action keys
Zip through a line of periods, underscores, asterisks, plus/equals, and question mark/slashes. Other keys may also be adjusted for repeat action.



Automatic Vertical Line Spacer and Paper Inserter



Horizontal Half Space Key

Retractable paper support & page-end indicator
Flips up to keep typing constantly in view. Indicates the number of typing lines remaining on a page.

Horizontal half space key
Inserts four characters where there's only space for three.

Automatic vertical line spacer and paper inserter
"Carriage return" key automatically inserts paper into typing position and moves paper vertically to any line desired.

Transparent card holder and ruling guide
Simplifies the typing of index cards. Provides straight lines for vertical and horizontal ruling.

4-position line space selector
Dial ½, 1, 1½ or 2 spaces

Plus these additional Royal conveniences

- Smooth, silent, electric carriage return
- Automatic line finder
- Right and left carriage release levers
